

PUBLICACIONES INTERNACIONALES

-Deep-dish congruent tibial component use in total knee arthroplasty: a randomized prospective study. Laskin R.S, Maruyama Y, Villanueva.M, Bourne R. *Clin.Orthop* 2000. Nov, 1 (380): 36:44.

-Diagnosis at first glance: septic shock in a patient with multiple episodes of fever, abdominal pain and leg inflammation. G-Beato MJ, García-Lechúz JM, Villanueva M. *Clinical Microbiology and Infection*. Vol 7.Number 6.June 2001.

-Common association. Pattern histopathologic and Infectious Disease. González-Beato María J., Villanueva M, Contreras F. *Dermopathol: Pract & Conc* 2004; 10 (4): 15. Disponible en <http://www.derm101.com>.

-The Grosse-Kempf nail for femoral Fractures: a review of 439 cases. Ramírez C, Villanueva M, Fernández –Mariño JR, Chana F. *Osteo Trauma Care* 2004; 12: 187-193.

-Hand made articulating spacers for infected total knee arthroplasty. Villanueva M, Ríos A, Pereiro J, Chana F, Fahandez H. Technical note. *Act Orthop Scan*. 2006. 77: 329-332.

-Arthrofibrosis and Patella infera: a simple surgical solution. Preliminary report and literature review. *Eur J Orthop Surg and Traum*. M. Villanueva, A. Rios, J. Pereiro, J. Davis, H. Fahandez. 2005. 15: 350-354.

-Ulnar Septic Pseudoarthrosis. Treatment with osteosynthesis and structural allograft. *Injury*. Rios A, Villanueva M, Pereiro J, Sánchez-Sotelo J. 2006. 37S: 163-166.

-Versatility of the sural fasciocutaneous flap in coverage defect of the lower limb. Rios-Luna, Villanueva –Martínez, Fahandezh-Saddi, Villanueva López, Del Cerro-Gutierrez. *Injury*. 2007, Jul; 38 (7): 824-31.

-Fasciocutaneous flap in chronic osteomielítis of the tibia. Fahandezh-Saddi H, Rios-Luna A, García Rey, Rodea Butragueño, Villanueva–Martínez M, Del Cerro-Gutierrez M. *European Journal Surg Traumatol*. 2006. ISSN: 1633-8065 (Paper) 2006: 1432-1068 (Online), DOI 10.1007.

-A simple polyethylene liner extraction method in hip arthroplasty revision surgery. *Eur J Orthop Surg and Traum*. Villanueva M, Ríos A, Fahandez-Saddi H, Pereiro J, Benito Del Carmen F. 2007; 17: 507-510.

-Isolated dislocation of the ankle. A two cases report. Ríos A, Villanueva M, Fahandez-Saddi H, Pereiro J, Martín-García A. *Eur J Orthop Surg and Traum*. 2007.

17; 403-407.

-A review of the treatment of pelvic discontinuity. Villanueva M, Ríos A, Pereiro J, Fahandez-Saddi H, Böstrom M. Journal of the Hospital for Special Surgery. 2008. In press. DOI 10.1007/s11420-008-9075-6.

-Hand made articulating spacers in two stage revision for infected total knee arthroplasty. Good outcome in 30 cases. Villanueva M, Ríos. Acta Orthopaedica 2008; 79 (5): 674–682.

-Pearls and pitfalls in coverage of tibia after a high energy trauma. Ríos-Luna A, Fahandez-Saddi H, García-López A, Villanueva-Martínez M. Indian Journal of Orthopaedics. 2008. 42 (4). 450-7.

-Nonunion of distal radius fracture and distal radioulnar joint (DRUJ) damage: a Sauve- Kapandji procedure with a cubitus proradius transposition as autograft. Villamor A, Ríos Luna A, Villanueva Martínez M, Fahandezh-Saddi H. Archives of Trauma Surgery 2008. (DOI 10.1007/s00402-008-0708-5). In press.

-A simple technique for alignment in total hip resurfacing arthroplasty. Technical note and preliminary results. Journal of the HSS. 2009. In pres.
